You know the elective or planned cesarean delivery rates are sky-rocketing BUT you are still giving birth and having your baby. Pregnant women planning a cesarean delivery are as entitled and deserve a wonderful birth experience.

Look at the Benefits, Features AND Calendar for using The Pink Kit Package.

Pregnant women choosing an elective cesarean birth often feel left out of childbirth preparation but no longer. The Pink Kit Package is full of childbirth and coaching skills for you and your partner in your elective caesarean birth.

You can feel confident about your up coming birth rather than have fear of childbirth pain.

Why should a pregnant woman planning a cesarean delivery prepare for birth?

- Your pregnant body is still preparing for giving birth vaginally so you can become involved in preparing AND feel more like you're going to have a natural birth.

- You'll become closer to your baby.

- You and your birth partner will develop a closer relationship to each other and your baby.

-  
An elective cesarean is planning for major surgery AND your Pink Kit skills can help you recover.

There is absolutely NO childbirth method on the market today that gives ALL pregnant women AND fathers wonderful birth and coaching skills that suit all births.
