

Breech Baby, Breech Birth

Are You Thinking 'Oh My God ... My Baby's Breech!' What Am I Going To Do?
Facing birth decisions with a breech baby and breech birth.

In the 1880s A Dutch midwife thought a head-down baby was abnormal, so she turned all babies inside at full dilatation and delivered them feet down!

Our Trust can't make birth choices for you because you have a breech baby but you can have a positive birth in any birth you have ... guaranteed!

'Breech baby, breech vaginal birth ... I did heaps of the Internal Work'.

Rachine M ...

'I didn't want a vaginal birth with my breech baby because my brother had CP due to brain damage when he was born breech. But my partner and I wanted to be more involved with birth so we bought The Pink Kit Package and got the joy of this birth through learning these skills'.

Martha and Marcus P ...

Look at the Benefits, Features AND Calendar for using The Pink Kit Package.
Why The Pink Kit Package skills can improve your breech birth

- Make your breech birth safer for your breech baby when planning a vaginal breech baby ... Do The Internal Work!
- For a vaginal breech birth know how to Map Your Pelvis and be confident or realistic about the space inside your birthing body.
- If you unexpectedly have a vaginal breech birth ... safeguard your baby by having preparing for birth.
- If you plan an elective cesarean delivery because your baby is breech still take the time to enjoy preparing for birth and then use your Pink Kit skills during the cesarean and recovery.
- The Pink Kit Package contains the skills necessary to prepare your birthing body for having a vaginal breech birth. But remember this about birth ...

Whether you give birth in hospital, Birth Centre or home birth, whether you have an obstetrician or midwife OR whether you have interventions or a natural birth, YOU will absolutely have a positive birth.

Every single Pink Kit Package resource is chockablock full of practical childbirth skills, childbirth skills and Childbirth Skills for you and your birth partner.

Every positive birth leaves new parents with the same feelings.

You know ...

- You've done a great job!
- Coped with the birth pains really well.
- Your partner has truly helped you throughout your breech birth.

- Your baby has come out of your body and is safe in your arms.

- You will recover amazingly quickly.
- You've totally impressed your doctor, midwife, friends or relatives.

'Just to let other families know ... The Pink Kit Package is ESSENTIAL if you are planning a vaginal breech birth. We know. We did it.'
