

Lesbian Pregnant Women

Is There A Difference Between A Pregnant Lesbian Woman And A Straight Pregnant Woman Giving Birth?
Nope ... we'll all still take another breath whether we are straight or a lesbian.

As a pregnant lesbian woman no matter how you conceived your baby, benefit from learning these amazing birth skills:

-
Breathing AND Relaxation Techniques.

Then include these equally important childbirth skills:

- Learn how to stay open inside your pelvis.
- Discover the SECRET of coping with labour pain.
- Prepare your birth canal to prevent birth trauma

And don't forget these birth skills:

- How to work as a team with your gay partner.
- How to work along side your birth professional whether a Nurse midwife (CNM), Direct Entry Midwife, Lay Midwife, Obstetrician and Staff Birth Professionals.

'Why not give The Pink Kit as a baby shower or pregnancy gift.

'As gay women we often feel outside the cultural norm so when we got pregnant we weren't comfortable going to a childbirth class. We purchased The PK Package without even understanding what was in the resource. We just knew it was something we could work through in our own home. What a wonderful surprise! What we needed and wanted and didn't even know we did'.

Sheena N. and April T ...

'As lesbians, we enjoyed working through The Pink Kit Package because it was so body oriented. We enjoyed the pregnancy together and the birth in a very special way'.

Marlisse T and Marsha Y...

As lesbian pregnant women remember this. Whether you give birth in hospital, Birth Centre or home birth, YOU will absolutely have a positive birth because you've used your birth and coaching skills.

Every single Pink Kit Package resource is chockablock full of practical childbirth skills, childbirth skills and Childbirth Skills for you, as a gay pregnant woman and your birth partner.
Every positive birth leaves new parents with these wonderful feelings

... particularly when they use their birth skills to the max. They know

- They've done a great job!
- Coped with the birth pains really well!
- Worked together as a team throughout birth particularly during the most painful contractions of childbirth!

- Their baby has come out of your birthing body without damage to her body and is safe in the arms of the parents.
- The birthing woman will recover amazingly quickly!
- The birthing family has totally impressed their obstetrician, midwife, friends, relatives and YOU as their Doula!
- Been ready to move into their parenting role without unfinished birth business!

'Our first birth when I was pregnant was amazing thanks to The PK Package. Our second birth when my partner was pregnant was even better. We became the Eternal Woman'.
