

Planned Unassisted Home Birth Or Unexpected Unassisted Home Birth

A Planned Unassisted Home Birth ... delightful choice. An Unplanned Unassisted Homebirth ... Your Worst Nightmare?

Expectant families who plan an unassisted homebirth or unexpectedly have an unassisted home birth want the same thing ... success, safety and no fear.

A planned unassisted home birth can be the highlight of your life. You take more responsibility than any other group of expectant parents ... learning birth and birth coaching skills can be essential.

Whether a planned hospital birth ends up in an unplanned homebirth or your midwife doesn't come you want to feel safe and confident in your own skills.

Both expectant families can learn:

- Breathing AND Relaxation Techniques.

Also these important childbirth skills:

- Learn how to stay open inside your pelvis.
- Discover the secret of coping with labour pain.
- Prepare your birth canal to prevent birth trauma

And don't forget these birth skills:

- How to work as a team with your birth coach (husband, partner, friend or relative).
- How to work with the 5 Phases of contractions so you don't hinder your baby's birth.

The unexpected in childbirth is a reality whether you are planning an unassisted home birth or accidentally have one.
